APFARMORY.COM

A craftsman wearing safety glasses and a mask is working on a rifle in a workshop. The background shows a sign with the text "GERAKOT" and "SMOKING".

APF firearms are made in America's heartland by craftsmen passionate about firearms, the outdoors, and supporting our nation's law enforcement agencies.

Whether in the field or on the range, APF builds the caliber you want and offers an array of unique finishes and accessories to bring you the perfect rifle.

As a national company with Midwest values, we commit to quality craftsmanship, customer service, innovation, and creating the best products in the firearms industry. Find out what we can do for you!
